

Consent to the use of photos of children and young persons in preschool and school

Photos used by personnel in preschool and school

The photos will only be used where the preschool/school is behind the publication and not for commercial purposes. Contact the personnel for more information on which channels the preschool/school uses when publishing photos.

The consent is valid for the current academic year, but can be interrupted at any time. If so, contact the personnel at your preschool/school.

Yes, I consent to personal data in the form of photos, including video, which the child appears in can be used for publication in:

- Printed matters, web pages or social media used by the preschool/school.
- Social media or web pages aimed exclusively at the custodians, for example a closed group on Facebook or Youtube.

No, I do not consent.

- I do not want any photos of my child to be published.

For children and adolescents under the age of 15, approval from the custodian is required. In case of joint custody, approval from both custodians is required.
