Welcome to the fourth annual Baltic Meeting Point, this year co-hosting the Nordic Twin Cities Meeting

Baltic Meeting Point is a conference and a forum for cities and regions around the South Baltic Sea, dedicated to strengthening cooperation and best practise. This year's Baltic Meeting point is an online event and will focus on people-to-people cooperation.

This year more relevant than ever. The event is hosted by the Municipality of Karlskrona in cooperation with the Swedish Ministry for Foreign Affairs and the Norden Association.

Baltic Sea Youth Foresight

An online youth conference discussing the future of the Baltic Sea region. Topics include Transport & connectivity, Culture, Student mobility, Climate change and Entrepreneurship. Co-hosted by Aline Mayr, CBSS.
