The time for the assignment is calculated from the time when the tugboat departs from its berth until it returns there.

For an ordered tugboat that is ready to depart from its berth, but not used, a full fee is charged.

Hawsers are provided by the tugs without charge.

Assignments in other locations, and towing, are performed on a case-by-case basis.

Towing assignments are performed in accordance with the "Scandinavian Tugowners" standard terms of 1959, revised 1974 and 1985.

We reserve the right to adjust the tariff in case of sharp increases in bunker prices.
