

Termination of a place at a preschool or after-school centre

Date:

Notice to terminate a place must be given to the school region no later than two months before the last day of the place allocation.

A charge will be made during the notice period as per the tariff, regardless of whether the place is used or not.

Personal data

Name of person allocated the place	Personal identity number
Child's name	Personal identity number
Current place (preschool/after-school centre)	

Termination of place

Information on the processing of personal data

The personal data you submit will be registered with the kunskapsnämnden, which is responsible for personal data. The information is needed for Karlskrona kommun to handle the case and can be used in renewed contact in the case.

You have the right to know once a year, after written application, what information about you is registered. Upon request, incorrect or incomplete information shall be corrected, blocked or deleted. The application is submitted to Karlskrona kommun, kunskapsnämnden. Read more about how Karlskrona kommun processes personal data at www.karlskrona.se/personuppgifter

Check that the confirmation of termination complies with your wishes.

You can terminate your child's place via self-service at the childcare services website at www.karlskrona.se (login with e-ID).
